From

The Principal

Mr. M. O. Chacko was residing in the Hostel of this college during the first two years of my principalship here, as medical assistant in the hostel.

I can speak in the highest terms, both of his work as ' hostel-nurse', and also of his general influence in the College. He is a man of fine physique, of sound common-sense, and of the highest principles. The whole College is the poorer for his departure from us, for he was the trusted friend of all, both students and staff.

I know of few men whom I could more unreservedly commend for a post requiring ability and character ; and I consider that those with whom he works in the future will be fortunate indeed in securing the services of a man who is, both physically, intellectually, and spiritually far above the average,

The Offg. Senior Surgeon in Mysore,

To

The Offg. Secretary to Government,

Revenue Department, BANGALORE.

Sir,

With reference to your letter No.L.2345/Medl.36-21-9, dated 18th October 1921, I have the honour to inform you that one Mr. L.V.Padaki, M.B.B.S.(Bom) (24 years of age) who obtained his professional degree as a Mysore State Scholar, reported himself for orders on the 1st November 1921 and has been taken on in the vacancy referred to in my letter dated 6th October 1921 and request that his entertainment as a Medical Graduate on Rs.80/- in the scale of Rs.80-5-100 may kindly be sanctioned.

2. I am making enquiries whether among the students of the Grant Medical College, Bombay and the Madras Medical College, who have sat for the last final examination, or are due to appear for the ensuing final examination, there are Mysoreans either as -- Scholarship-holders or as private students. In the case of scholarship-holders, they may and will, be called upon to come and join the service. But in the case of private students, I doubt if they may be considered as "available" for employment unless and until they come forward and apply of their own accord, as it is, obviously, inexpedient to ask them, if they will accept serivce.

3. I may also mention that Mr. Padaki passed in June 1921 and was, at first, unwilling to join service immediately, as he had a great desire to prosecute his studies for the M.D.Degree.
